UNHCR Ireland & Sport Against Racism Ireland (SARI)

would like to invite you to the Fair Play Football Cup
to mark

World Refugee Day, June 20th 2010

On World Refugee Day, UNHCR recognizes the strength and resolve of forcibly uprooted people and reaffirms its commitment to protect and find solutions for them. World Refugee Day is a day of respect and remembrance for some of the world's most vulnerable people.

World Refugee Day gives us all an opportunity to recognise the positive contribution of refugees to Ireland and acknowledge their positive experiences of Ireland.

The event will feature 8 football teams involving refugees, community groups, Government agencies and the media.

This family-friendly event will also offer children's activities, entertainment and information stands. Come early to collect your complimentary raffle ticket and be in with a chance to win a great football prize! Everyone is welcome.

Date: 20th June 2010

Time: 10.30am - 2.30pm
