# AFRICA WEEK ATHLETICS 2013

This year's guest of honour, Wilfred Bungei from Kenya, the 800m gold medal winner from the Beijing 2008 Olympic Games, looks forward to helping in the development of young athletes in Ireland, *"coming from the village of Kabirirsang in Nandi County, we have produced many world champions from grass roots with full community support and I am very happy to share my experience of growing future champions in Ireland."*

Once again we enjoy the full support of the legendary Kenyan runner Kip Keino, who was guest of honour in 2012. *"Last year's AWA was a wonderful experience for me and I witnessed the performances of potential champions. I also visited a number of schools and at St. Mark's in Tallaght I was ushered into their assembly hall where I was invited to do a running commentary on my Olympic races in front of hundreds of students. It was like running the races all over again."*

Another supporter of the AWA inaugural meet in 2012, Mo Farah, sends this message: *"I would like to thank you all for your support of my efforts both on and off the track with the Mo Farah Foundation and look forward to hearing about the progress of your young athletes during this EU Year of Citizens 2013"*
